As a sponsor for the Renegades the program will provide a color banner with your company logo. A total of three logos may be placed on a single banner should a sponsor care to share a banner with another company. The banner will be displayed at the Renegades games throughout the season which typically includes about 30-50 games (depending on age division).

The American Junior Baseball program is a 501C3 non-profit organization and will provide a tax deductible receipt for each sponsor. At the completion of the season the sponsor may receive the banner for their own use or display, or have the option of renewing their sponsorship for the following year at a reduced cost. Please provide the banner artwork electronically to the American Junior Baseball office at ajb.baseball@verizon.net by no later than **March 1, 2010**. This will allow for banner production prior to the start of the season!
