

American Junior Baseball T-Ball Players and Parents...

T-ball will take place according to the following schedule. Please note there is no T-ball scheduled for Thursday, July 2 and Thursday, July 16. The program runs for six weeks. If weather is questionable, please listen to WJBC between 9:30-10:30 am to see if games are cancelled or you may visit the AJB Website at www.ajbbaseball.com.

Please have your child wear his/her AJB uniform and bring his/her glove. It is also good to bring something cool to drink on hot days.

All sessions will take place at the Hungarian Fields which are located across the street from the American Hungarian Building at 1520 N. Calhoun in Bloomington.

Have a great season!

American Junior Baseball
